

Sella Rafaeli, CTO (April '16)

Web CTO looking for a fun challenge. sella.rafaeli@gmail.com

TLDR:

- **I am a CTO for web (and mobile) platforms**, including development & management of back-end, front-end web, and mobile apps. My last big project was <https://yes.no>, a crowd-interviewing platform.
- More details at <http://www.sellarafaeli.com/about>.

Education:

- 2008: Score of 786/800 on Israeli's SAT ('National Psychometric Exam'), top 0.01%.
- 2009-2012: Computer Science and Psychology BSc at Hebrew University of Jerusalem, *Magna Cum Laude*.

Experience:

- 2003-2008: Israeli Defense Forces, unit 8200, Product Manager.
- 2008-2009: Traveling in South America.
- 2010-2012: Cisco, software engineer,
- 2013-2015: Fiverr, senior software engineer.
- 2015-2016: <https://yes.no>, CTO ([read architecture overview](#))
- More details at <http://www.sellarafaeli.com/software>.

Other:

- I blog a lot; links are at <http://sellarafaeli.com/blog>.
- I love teaching development (pro-bono); my fullstack curriculum is my [doggieWalker project](#).
- I enjoy traveling and seeing the world. 34 countries so far.
- You can read more at <http://sellarafaeli.com>.
- We hope you enjoyed reading this. Have a nice day. ;)
